OLD PIONEER DIES OF HEART FAILURE

**HENRY JAESCHKE, PIONEER OF
THIS COUNTY, PASSES
AWAY TUESDAY**

Henry Jaeschke, an old pioneer of Brown county, passed away at his home, Tuesday, following a paralytic stroke, which terminated in heart failure. He was about 82 years of age at the time of his death.

Mr. Jaeschke was born in Mecklenberg, Germany on October 5, 1845, and came to this country in 1869, settling in Wisconsin. He was married the same year and five children were born to this union, two of whom died in infancy—Henry and Louise. Three survive him, Charles, William and Mrs. Anna Sueltz. Also eleven grandchildren and one great-grand child.

Mr. Jaschke came to South Dakota in 1881 and proved up on a homestead near Gem township. For the past sixteen years he has been without his eyesight.

The date of the funeral is unknown at this time, but it will be held in the James Lutheran church and conducted by Rev. F. E. Wilke. The remains will be laid to rest in James cemetery. H. Paetznick will have charge of the funeral.

Mr. Jaeschke was highly esteemed in his neighborhood, and news of his death will be received with genuine sorrow by a large circle of friends.
